## Korean Transportation Association in America

Vol. 37, No. 1, January 2026

### President's Message

Dear KOTAA Members:

Happy New Year!

Over the past year, KOTAA achieved many meaningful milestones, including the award of 55 Travel Grants, the successful hosting of a career development seminar in May, and continued engagement among our members across academia, industry, and public agencies. These accomplishments underscore our shared commitment to supporting the next generation of transportation professionals while strengthening connections within our field.

Looking ahead, 2026 will be an especially exciting year for KOTAA. We are proud to launch a newly named scholarship that honors excellence in research presentation. We will once again provide a record number of Travel Grants to outstanding students in transportation engineering and related disciplines. These initiatives reflect our mission to foster professional development, mentorship, and leadership across career stages.

On behalf of the KOTAA Executive Committee, I would like to express our sincere appreciation to our generous sponsors, including KSEA, the Korean Society of Transportation (KST), as well as the many professionals who have supported us. I hope that all KOTAA members will find the 2026 KOTAA Annual Meeting and the TRB Annual Meeting to be both meaningful and enriching experiences.

Sincerely,

Kate Hyun

18th President of KOTAA
